

Thrilled to share some exciting news!

Honored to be among the **Winner of the 3DEXPERIENCE Forum 2025 Pitch Competition** by [Dassault Systèmes](#), alongside two other incredible innovators! [Denovo Bioinnovations Private Limited](#) [SatLeo Labs](#) [Quixotix](#)

This milestone is a true testament to our team's [Rajendra Narayan Lenka](#) [Aditya Kolte](#) [Chinmay Bharekar](#) and [Himanshu Gupta](#) hard work, persistence, and shared belief in transforming ideas into impactful innovation. Every late night, every prototype iteration, and every challenge faced has led us here — and I couldn't be prouder of what we've built together. □

This recognition marks a proud milestone — validating our vision and reaffirming how technology, creativity, and purpose can come together to create real-world impact.

Winning this also brings an incredible opportunity — to represent India at the Global 3DEXPERIENCE Lab Pitch Event in Paris, where startups from around the world come together to showcase breakthrough innovations shaping a better future.

A heartfelt thank you to the entire [3DEXPERIENCE Lab](#) team for their constant guidance, mentorship, and support — and for empowering startups like ours through their vision of nurturing innovation that truly matters.

Special thanks to [Dassault Systèmes](#) for providing access to world-class tools like SOLIDWORKS and the [3DEXPERIENCE Lab](#) platform, which have been instrumental in transforming our ideas into tangible, high-impact solutions.

Grateful to the mentors, jury members, and fellow innovators who made this experience so enriching — and to my team and supporters who've believed in this journey since day one. □

We are deeply thankful to our incubators & investors [Venture Center \(Official Account\)](#) [DERBI Foundation Society for Innovation & Entrepreneurship -SINE IIT Bombay](#) [BETIC, IIT Bombay](#), [Biotechnology Industry Research Assistance Council \(BIRAC\)](#) [DBT BIRAC Campus Angels Network](#) [Indian Council of Medical Research \(ICMR\)](#) Medtech Mitra, [NITI Aayog Official](#) Atal Innovation Mission Official [Maharashtra State Innovation Society](#) and mentors [Premnath Venugopalan](#) [Manisha Premnath](#) [Sanjay Kanvinde](#) [Soma Chattopadhyay](#) [Rupesh Ghyar](#) [Sathyanarayana B V](#) [Chandran Krishnan](#) [Chaitanya Desai](#) [Satya Prakash Dash](#) [Parag Bhargava](#) [Smita Kale](#) Dr.Dasmit Singh [Ravi Sarangapani](#) [Shruti Devasthali](#) [Anil Tabib](#) [Kiran Deshpande](#) [Ravi Nigam](#) [TiE Pune](#) and many others for their constant encouragement, trust, and strategic guidance — your belief fuels our mission and gives us the strength to aim higher every single day. □

Excited to take this journey from India to Paris, carrying forward the spirit of innovation and collaboration.
