

A massive thank you to the organizers of the Marine & Offshore International Expo 2025.

EyeROV - Agbizz

MARINE & OFFSHORE INTERNATIONAL EXPO & CONFERENCE 2025

Agbizz, Ateglob & EyeROV at Exhibition

- Partnership for Advanced Industrial Products
- Shaping the Future of Construction & Geotechnics
 - Revolutionizing Underwater Inspection
 - Cutting-Edge ROV Technology

Sheraton Grand Doha Resort & Convention Hotel

- Agbizz Qatar had an outstanding exhibition showcasing our advanced industrial solutions alongside our partners EyeROV and presence with ATEGLOB Founder. It was a powerful platform for sharing knowledge on cutting-edge ROV technology (Mr. Johns T. Mathai) and discussions on geotechnical innovation (Mr. Diego Vélez Garzón).
- Thank you to everyone who visited us and contributed to the conversation on the future of the sector!
