

Happy to announce that the Marathi New Year kicked off on a high note with an award cheque! We received this honor at the Shark Tank event hosted by the Army Institute of Technology, focused on social entrepreneurship. We were among the few finalists who had the chance to pitch our products and services in front of influential investors, including Ashutosh Jaitwal [@asaitwal](https://twitter.com/asaitwal) from KlearStack and Ankush Tiwari from pi-labs.ai.

We are delighted to share that we received the award cheque from Director Brigade Abhay Bhat for our idea. This recognition is a testament to the hard work and passion that's driving our mission.

A big round of applause goes to the students and management team of the Army Institute of Technology for hosting such a well-organized and impactful event. It's been an inspiring experience, and we're excited to take the next steps in our journey with renewed energy and support. mission keep us motivated.
