

Honored to Receive the [Infosys Foundation](#) Aarohan Award 2025 | A Moment of Deep Gratitude

While our Gynecologists' are the true crusaders in India's fight against Cervical Cancer, no one has championed this cause in recent years with more conviction than Dr. [Sudha Murty](#). From her very first speech as a Rajya Sabha MP on the subject - to her continued advocacy; her work on Cervical Cancer awareness and prevention stands as a beacon of compassion, courage, and purpose.

That is why receiving this recognition from her hands makes this moment immensely special for us at [Pragmatech Healthcare Solutions Pvt. Ltd.](#)

At the same time, we want to share a reality often unseen:

For medical and impact-driven startups like ours, the path is anything but easy. We navigate doubts, criticism, and countless hurdles - even as we prove ourselves at every step. This award is a reminder of how far we've come, but also how much more there is to do.

To all our well-wishers and supporters: we need you with us on this journey!

If you believe in accessible and dignified cervical screening - support us by ordering a

CERVICHECK Kit for yourself or a loved one on www.cervicheck.in Together, let's make early detection a norm.

We share this honor with individuals and organizations who have supported us in our journey:
